## Remarks on Living Ship

Thurs<sup>oct</sup> 9 Lamsin with heavy squalls from the  
NW running to the S at 4 AM  
ship rolled up on a heavy sea  
which took a way the waist boat  
both davies blocks, parrels &  
all her craft broke the After  
davit of the main boat & we got  
her in some stone lost the waist  
boat & all her gear it was not  
blowing heavy at the time but  
there was a high cross swell  
so ends this day clearing the net  
& repairing damages Lat 38 47  
Long 121 20

Friday 10 heavy squalls through the night  
from the WNW heading to the W  
saw ship to the N & get the foresail  
putting new davies repairing  
the bow boat & later part moderate  
set the topails & gill at 7 PM  
overcast with some tender

Lat 36 25-2  
Long 121 02

Long 108° 13' E

Sun #30 born in with strong wind from the N at 11 AM took a heavy squall from the W with plenty of rain later part clear ship heading to the S under easy sail Lat 40° 25° 10" S

# July 1857 Remarks on board Ship

Wednesday<sup>1</sup> 1 hour in with fresh breeze from the  
W ship course NNW saw sulphur bottom  
later part clear shortened sail

Lat by obs 25 11 S

Long by obs 105 15 E

Thursday<sup>2</sup> 2 hours in with fresh breeze from S.  
smoke & haze saw a merchant bark  
& pinbacker ship course to the NW  
later came to the wind to the E

Lat by obs 25 31 S

Long by obs 104 40 E

Friday<sup>3</sup> 3 hours in with pleasant breeze with  
light showers from the E later part  
fresh gales ship heading to the NE  
saw a pinbacker Lat by obs 22 53 S

Long by obs 104 24 E

Saturday<sup>4</sup> 4 hours in with pleasant breezes  
from NE ship course SE with  
all sail saw many pinbackers  
rather a dull day & no green-

Lat by obs 22 06 S

Long by obs 105 30 E

Sunday<sup>5</sup> This Lords day we have some  
rain squalls, wind from SW to NW  
later part clear saw Humphreys,  
later part steered S Lat by obs 22 57 S

Long by obs 106 18 E

Monday<sup>6</sup> 6 hours in with fine weather wind from  
the E to NE ship course S with all sail  
set saw Humphreys & squid  
later part shortened sail & steered  
to the SSE Lat by obs 24 07 S

Long by obs 107 15 E

Tuesday<sup>7</sup> 7 hours in with fresh gales & squalls  
wind from the N handling to the S & W in  
squalls later held up raining saw  
nothing but pinbackers so we think  
there are no herring shoals here

Lat by obs 26

July  
Wednesday # 8  
Leaving Breveing of Shanks  
8 hours in with a gale from the NW  
clear ship course SE saw humpback  
later fast thickening up to the 3 m  
easing sail Lat 40° 27' 10" S  
Long 109° 30' E

Thursday # 9  
9 hours in with a gale from the WSW  
with rain squalls with a very ugly  
sea on at 6 A took in fore sail & fore top sail  
& lay to later wind abating  
Lat 40° 28' 15" S  
Long 109° 30' E

Friday # 10  
10 hours in with fine weather went to the  
S ship heading to the E with all sail  
set saw finbacks later light airs  
Lat 40° 28' 11" S  
Long 111° 22' E

Saturday # 11  
11 hours in with pleasant gales from the  
S ship heading to the E saw mountains  
Albatross reef at 10 A M saw sperm  
whales 10 A & the outward breaker  
bearing SE 15 miles distant chased  
the whales to the windward

at 5 P M struck a cone 15 miles  
to landward the ship & boats  
stayed by him & lost the run of the  
ship & was out all night  
Sunday 12 & until 4 P M Sunday at 5 P M  
got the whale pluke they had  
cut about 3 hundred of the whale & was  
bound in to the reef as they saw  
the ship

consider it one of the great mercies  
of our good god god was the  
return of the boats after being  
absent so long  
a god thou art a god who hearest  
& answerest prayer glory be to thy  
great name

# July Remarks on board Ship

at <sup>1839</sup> Remarks on board Ship

Wedn #12 bonair with pleasant  
breezes from S.W. at 7 AM  
saw sperm whales at 8 AM  
laid off the mainst boat struck  
got foul line & turned over  
& parted the line got one to  
the staler boat for which  
we thank the good Lord  
at 10 AM got him along  
side & at 6 PM got him  
in Lat by obs 30 06 N  
Long by obs 57 10 W  
20 or 30 large whales feeding

Thurs #13 bonair with rain at noon  
cleared up began to hoist one  
sail in site under short sail  
on different tacks wind ENE  
Lat by obs 29 55 N  
Long by obs 58 55 W  
Friday #14 this day no showers wind  
mostly from the E light saw  
finbacks boiling between signals  
at 9 PM finished ship under  
small sail no observation

Sater #15 bonair with pleasant breezes  
from WSW clear ship with all  
sail set heading to the NW  
saw nothing Lat by obs 30 25 N  
Long by obs 52 18 W

Sunday #16 this Lord's day we have strong  
squalls of wind & rain from  
W to NW ship under double  
reef jib & mainsail in  
Lat by obs 31 35 N  
Long 53 00 W

1819  
 Lapwang

Mon # 17 This day we have strong winds  
 & high swell from NW ship head-  
 ing to the W under reefed topails  
 & spencers later part moderating  
 saw nothing Lat 40° 31 39 N  
 Long 155° 21 W

Tues # 18 This day we have pleasant gales  
 from the NW ship heading to the  
 W saw two sail put our oil  
 below later part light breeze  
 Lat 40° 31 26 N  
 Long 155° 29 W

Wed # 19 Bore in with fresh breeze  
 from NW ship course NW  
 later part double reef strong  
 wind & blowing in  
 Lat 40° 32 48 N  
 Long 155° 58 W

Thurs # 20 This day we have light variable  
 winds & squalls with rain ends  
 with a calm one sail in site  
 Lat 40° 33 03 N  
 Long 156° 52 W

Frid # 21 This day we have fresh breeze  
 & squalls wind from NW to  
 NW ship heading to the W  
 later part reefed topails  
 Lat 40° 33 29 N  
 Long 156° 00 W

Sater # 22 This day no strong breeze  
 from NW ship heading to the  
 W later part more moderate  
 two sail in sight Lat 40° 35 05 N  
 Long 156° 09 W

Sunday # 23 The Lord's day we have  
 variable winds all round the compass  
 later part a pleasant breeze from NW  
 ship course NW in a wind  
 with all sail but set one sail  
 Lat 40° 35 27 N  
 Long 156° 15 W

Oct 1859 *Remarks on board Thos*  
 Mon<sup>d</sup> 24 Comm in with strong wind  
 from NW at noon sheer to  
 the W under reefed topail  
 & courses saw nothing.

Lat 46° 36' 44" N  
 Long 61° 47' 20" W  
 Tues 25 This day light breezes from NW  
 later part WNW ship heading  
 to the N spoke the bark  
 Sheerwood of New York 20 days  
 from Mobile bound to Newer

Lat 46° 35' 40" N  
 Long 62° 31' 31" W  
 Wedn 26 At midnight blown up from  
 the SW dubble reefed & took in  
 jib & mainsail at 2 AM close  
 reefed the main & pulled fore  
 & mizen topails blowing hard  
 from WNW later sheered  
 the NW & cleared off blowing  
 strong ship heading to the  
 WNW Lat 46° 24' 18" N

Long 64° 48' 20" W  
 Thurs 27 This day be begins with a fresh  
 breeze from SW ship came  
 NW by W all sail set at 8 AM  
 at 9 AM breeze on from SW  
 dubble reefed & at noon wear  
 under close reefed topails at 2 PM  
 took in the foreail blowing  
 heavy at 6 PM heavy squalls  
 with plenty of rain

Lat 46° 50' 20" N  
 Long 64° 30' 30" W  
 Frid 28 Comm in with moderat breezes  
 from the NW mid part hauling to  
 the W ship heading to the N with  
 all sail set overcast all day  
 no observation

Oct 1853 [Lafayette Homeward bound  
 after 29 born in with variable winds with  
 light rain at 9 AM took steady  
 breezes from the N ship heading  
 N N W on a run at 6 PM receipt  
 the topails strong gusts of wind

Lat 37 15 N  
 Long 65 50 W

Sunday 30 this Lords day we have  
 strong winds with squalls  
 from W W to N N W with a very  
 choppy sea ship heading  
 to the W under double reefs  
 saw the sail Lat 37 02 N  
 Long 67 12 W

Monday 31 this day we have pleasant  
 breezes from the N N W ship heading  
 to the W with all sail set one  
 sail in sight Lat 36 03 N  
 Long 68 30 W

Tuesday Nov 1 this day we have strong  
 breezes from E N E ship heading  
 to N N W on a run several  
 sail in sight with fresh  
 breezes Lat 36 58 N  
 Long 70 10 W

Wednesday 2 this day we had pleasant breezes  
 from the N hawling to the W  
 at 1 PM tacked to the N N E  
 & took down our oil works &  
 have them overboard being  
 the milds North of Block Island  
 Lat 38 40 N  
 Long 72 12 W

Thursday 3 this day we have fresh breezes  
 from the W to N N W at 1 PM  
 saw Block Island later put  
 steering down for H. Light  
 boat for 5 3 hours in site  
 running for the sound  
 thank the good father

## 1859 Remarks at Horn

Novem<sup>th</sup> Horn in with pleasant gales from  
 the S. at 8 AM took a pilot Mr Church  
 & at 9 AM came to anchor below  
 the island & found our friends all  
 well thank the good Lord.
